

CALL FOR PAPERS: GHANA MINING AND ENERGY SUMMIT (GMES)

About GMES

The Ghana Mining and Energy Summit (GMES) is a biennial Conference and Exhibition organised by the Ghana Chamber of Mines.

The 5th GMES is themed: ***“Harnessing Responsible Mining and Clean Energy Potential To Accelerate Sustainable National Development”***.

We are inviting academia, think tanks, and professionals in the mining and energy sectors to submit papers on a topic of their interest. The possible topics include:

- Local Manufacturing/Local Content
- Environment, Social and Governance (ESG)
- Climate Change
- Sustainable Development
- Gender and Inclusivity
- Standardization
- Renewable Energy
- Good Governance

We encourage authors to look at these topics in their broader African perspectives. Authors who submit papers on international initiatives should indicate how their conclusions or lessons learned could be applied in

Ghana. Initially, authors are to submit an abstract of not more than 500 words. Upon selection, the finalists will be contacted for detailed papers on their preferred topics.
